Dear Friends of Frank Black and Community,

Frank Black Middle School Dance Department would like to invite you to explore the excitement, beauty and grace of the performing arts through dance. Dance students at Frank Black Middle School are studying dance genres such as: Classical Ballet, Jazz, Modern, Tap, and Hip-Hop. Our resident Dance Team, the Pantherettes, have received sweepstakes awards and grand champion trophies from competitions and dance camp. We also have a National Honor Society for Dance Arts (from the National Dance Education Organization) for exceptional grades, work, and performance in dance.

We are currently gearing up for our annual Spring Concert. Each year, our dancers work hard in order to prepare for an end of the year performance each semester. Frank Black Middle School is an inner city school where many of the attending children will not have the opportunity to take dance class outside of school or experience a dance concert with costuming. Through your contributions, Frank Black Middle School dancers would be able to have costumes for the end of semester performances. Your donation is tax deductible and will make a difference for our dance students. Your donation is invaluable to our efforts and all of your contributions will be used to benefit the dance program at Frank Black Middle School.

We ask that you accept the acknowledgements below in appreciation of your contribution. All business sponsors will receive a thank-you letter for your contribution and will be listed in the program. All donations above \$75 will have their business card in the program. All donations should be received by May 20, 2011. Please make checks payable to Frank Black Middle School Dance Department Booster Club and mail to”

Frank Black Middle School
