Dear Garden Oaks Parents,

I am please to provide you details of our “First Class Breakfast in the Classroom” program which will begin next Tuesday, May 18, 2010.

Every student at Garden Oaks is eligible for a free, nutritious breakfast that will be served in their classroom daily at 7:45am. Students who eat breakfast at home and prefer not to eat breakfast at school will complete a daily educational warm-up activity provided by their teacher. We expect breakfast to be completed each day by 8:10am.

Although we will no longer be serving breakfast in the cafeteria, we will continue to open the campus for the remainder of this school year at 7:15am. Students in grades K – 2 will report to the cafeteria where they may read quietly, complete homework or watch an educational video which will be played. PK students will not eat in the cafeteria and may report directly to class at 7:45am. Teachers will meet students at the classroom door and distribute breakfast cards to students who wish to participate in the breakfast program.

I hope this initiative will prove to be a benefit to you and your child(ren)! We want every child to be well nourished and ready to learn. If you have any questions, please call the school at 713-696-2930.

Sincerely,

Lindsey Pollock, Principal
