

Houston Independent School District

The Houston Independent School District is in the process of preparing a grant proposal with the U.S. Department of Education Magnet Schools Assistance Program. One of the schools selected by the district to be a part of this proposal is Garden Oaks Elementary School. Under the proposal, Garden Oaks Elementary School would become a full Montessori program with an Environmental Science emphasis. This unique program maintains the integrity of the campus and maintains its rich history.

During this transition process there will be frequent community meetings. Your feedback and suggestions are needed to help us develop and implement an effective transition plan. Your contact person during this transition will be the principal, Ms. Lindsey Pollock. You may reach her at the school phone number is (713) 696-2930 or via email at lpollock@houstonisd.org. We thank you for your continued support and input during this process.
